

# Rocky Mount Third Grade 2017-2018 Supply List

Welcome to 3<sup>rd</sup> Grade! We are so excited to have you this year!

We have drastically reduced our supply request, in order to only have what we NEED, and to hopefully purchase an IXL membership for the grade. If we run out of items, we'll just ask you for those! Thanks for your help. Some supplies will be individual, and many will be shared as a classroom, please don't feel the need to label anything.

***\*We understand that these are unconventional requests for school supply lists, and while they are not a requirement, we want to usher the children into the 21<sup>st</sup> century of learning with technology in conjunction with our classroom instruction, along with your guidance. Both of these tools will open new learning avenues for the children in the classroom. Thank you for your support!***
